

NEW PERFECTION KITCHEN PRIMER

PAGE 6

LESSON#3

What Have We Here?

It is a chimney. But haven't I seen it before? Yes, it is part of the New Perfection Oil Cook Stove, which is now serving over 2,000,000 homes. It is an important part, too, for this long blue chimney makes the New Perfection odorless, smokeless, and trouble-proof. Like a gas stove? Better, in some ways. It's less expensive—burns only about six cents worth of kerosene a day. And it's portable—you can do your cooking wherever it is most convenient. 1916 model New Perfections have the new patented reversible glass reservoir and many other improvements. They are sold in 1, 2, 3, and 4 burner sizes by dealers everywhere.

FRANK E. HOWE, Editor and Pub.

Thursday, Aug. 3, 1916.

The brilliant correspondent of the Associated Press who described the departure of the German submarine Deutschland from Baltimore informed his millions of readers that the wind blew, the sun went down, the engines of the Deutschland made a noise and the smoke from the funnels of the undersea craft was grey.

The Banner today begins the publication of a series of articles by G. Grand Pierre, a newspaperman with a wide experience in this country and in South America. Mr. Pierre is a landscape gardener but wishes it to be distinctly understood that he has no axe to grind. Some people, he says, collect rare stamps, others china pots and still others bad habits. His hobby is landscape gardening. He is not the agent for shrubbery or lawn grass seed or building materials—he is just doing what he has done in many other communities into which the pursuit of his occupation has brought him. His views regarding the civic beauty of Bennington, or the lack of it, as the case may be, are those of a stranger within our gates and are therefore without bias and are not tinged with partiality. It is to be hoped that whatever criticism he may make will be received in the kindly spirit in which it is offered.

In another column today the Banner publishes a communication from Rev. J. S. Clark of North Bennington relative to whooping cough. The Banner has no first hand information of conditions that may exist in North Bennington but it takes this opportunity to call the attention of the public, particularly mothers, to the serious results that may follow an attack of whooping cough. There is an old-fashioned idea, not yet relegated to the scrap heap where it belongs, that whooping cough is an inevitable evil of not much consequence, that children are bound to have it anyway and therefore the sooner the trial is over with the better. Whooping cough instead of being a mere incident of childhood is one of the most dangerous diseases that afflict children. Authorities who have made a study of contagion now insist that whooping cough is far more to be dreaded than diphtheria. Fatal cases of the latter disease, now that anti-toxin is available, are rare but the deaths from whooping cough are many more than people generally suppose.

STRICT QUARANTINE NEEDED

Parents Do Not Give Whooping Cough Serious Consideration.

Editor of The Banner: My attention has repeatedly been called to the flagrant way in which the quarantine for whooping cough is violated by the children having the disease. Two babies have recently died from the malady in our community and yet the health officers do not enforce the quarantine. In several cases, too, I am told that no notice has been posted on the house where the children are sick. Every parent should have a moral obligation leading them to keep the children on the premises. And if they have not this obligation the Board of Health should insist upon the keeping of quarantine.

DOUBLY PROVEN

Bennington Readers Can No Longer Doubt the Evidence.

This Bennington citizen testified long ago.

Told of quick relief—of undoubted benefit.

The facts are now confirmed. Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit. Henry Pulver, 172 Beach St., Bennington, says: "I worked hard and was on my feet constantly and as the result, my kidneys became disordered. My back was lame and sore and I had headache and dizzy spells. The kidney secretions caused me annoyance. A friend advised me to use Doan's Kidney Pills and I procured a supply at Cole's Drug Store. I noticed improvement from the first and after I had used two boxes, the backache left and my kidneys became normal."

OVER FIVE YEARS LATER, Mr. Pulver said: "Kidney complaint has never returned since I was cured by Doan's Kidney Pills." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Pulver has twice publicly recommended. Foster-Milburn, Co., Props., Buffalo, N. Y.

Beware of Ointments for Catarrh that Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is too told to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure, be sure you get the genuine. It is sold internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 50c per bottle. Take Hall's Family Balm for constipation.

All Straws —AT— One-Half Price

THAT means every straw hat left in the store. Now, at the rate that these straws are moving, it will not be long before every one of them will be on parade. Please remember that there has already been one week of selling from them and some sizes are all gone, not a seven remains in the shop.

ABOUT other Summer goods—"The store is just abusting." Same old quality, same old prices, except on a few articles which really we could not help, but you will have to do some big hunting in order to find anything that has been boosted and then we would probably have to tell you what the old price was and the new one in order to see that we had made any change.

STOCKS:—The coolest of all real spick Summer neck dress 50c. Flannel trousers, white and white with some very pretty black stripe decoration, all wool, \$5.00—with a bit of cotton, \$3.50, to be exact the bit of cotton is exactly one fourth. Sport shirts for boys at two prices, 50 cents and one dollar. Sport shirts for the man who wants to be perfectly comfortable \$1.00.
